

# Primary Computing/ICT Subject Leader Update Meetings

## Course Details

The Primary Computing/ICT Subject Leader Update Meeting will cover the changing role of the coordinator, as well as curriculum developments, news and resource ideas. Updates to the online safety requirements and resources and a look at technology across the curriculum, with a focus on media and video use.

Delegates are asked to bring along to each session a wifi enabled, fully charged laptop which can be connected to an external network.

Schools who have purchased a subscription to the ICT Subject Leader Update Meetings receive one free place at each meeting. Additional places are charged at £90 per person.
